

Volunteer? Me? How?

Franklin•TV is a local media community for creative folks just like you. There are more ways to get involved than you can imagine! You've got skills and a little spare time to do something creative – something new – that all of your Franklin friends and neighbors can enjoy. Whether you want to be in front of the camera or behind it we can show you how, step-by-step. It's easier than you think.

You can also help us help everyone. How? By being part of a TV team that promotes our local service organizations. If you have computer skills, an artistic flair, a way with words, or you just want to help out, then Franklin•TV is a place where you can fit right in while making a real difference.

Creating great local TV programs (yours or someone else's) makes Franklin an even better community for everyone. Make local TV that matters to our community. Find out how you can get involved. Call us. 508-541-4118
